Bayfront Advisory Commission (BAC) News – Mr. Wally Damon will update us on the actions of the Bayfront Advisory Commission.

Old Business-

Addition of "Your Speed Is" Traffic Signs on Shore Drive – VB City Traffic Engineering has completed a draft report for the results of the study. SDCC has shared the report on our website. We will discuss the report results and next steps/actions. Come join the conversation.

Short Term Rentals (STR) – City Council deferred a final vote on any STR policy until late May timeframe. On April 3rd Councilman Jones proposed a draft ordinance that permits home-sharing by-right and only requires registration with the Commissioner of Revenue Office. Short term rentals are permitted by-right in the Sandbridge SSD, Ocean Front Resort District, and the North End overlay. In all other parts of the City, short term rentals would require a conditional use permit. Where short term rentals are permitted by-right or where they require a conditional use permit, they must adhere to 11 conditions. Updates on STRs can be found at <https://www.vbqov.com/residents/homes-neighborhoods/Pages/online-home-sharing-economy.aspx>

Lynnhaven Municipal Wharf – Updates on the City's request to Army Corps of Engineers and Dept. of Environmental Quality to leave a permanent wharf in place after the Lesner Bridge construction is complete.

New Business –

Shore Drive Road Improvements in Ocean Park – Phase 4 – CIP 2.118 is still proposed for full funding in the upcoming FY19 City Budget. In an effort to show support for this item, an official SDCC vote will be taken at our April meeting. Please prepare accordingly.

Bus Route 35: Shore Drive to Oceanfront – The City Manager has allocated transitional funding to allow the expansion of this route for the 2018 season. The route will begin service the weekend before Memorial Day (Fri May 25th) and operate until the end of September. Replacement funding for this service is being requested as part of the proposed FY19 City Budget. In an effort to show support for this item, an official SDCC vote is recommended. Please prepare accordingly.

Community Concerns– Please share any issues or concerns your groups/organizations may have at this time.
