

**SDCC General Meeting Agenda**  
**Monday July 30, 2018 from 7:30 to 9:00pm**  
Ocean Park Volunteer Rescue Squad Hall  
(parking in back, on side streets and across Shore Drive)

**Special Presentation – *What, Where and When was Seaview Beach?*** Come out to hear a wonderful presentation on the historic Seaview Beach. Don't know what/where Seaview Beach was? This is a great opportunity to learn some amazing stories and background of this incredible hot spot situated on Shore Drive.

*Sherry Dibari, a Norfolk resident who works on independent projects related to the documentation and preservation of regional traditions and cultures, will discuss her research on Seaview Beach that she gathered while creating a research paper funded with a 2017 Research Grant from the Virginia Beach Historic Preservation Commission.*

Old Business-

**Lynnhaven Colony Storm Water Improvements** – City Council is moving \$1 million from 2018/19 budget designated for land purchase in the Lynnhaven Colony project to a neighborhood in the southern part of the City. The budget will be replaced in the 2019/20 cycle and no delays are expected in the Lynnhaven project.

**Short Term Rentals (STR)** –City Council is still discussing how to proceed with STRs. Current plans are to send this item back to the Planning Commission to have them gather more public input and provide more structure to Council's changes.

**Bus Route 35: Shore Drive to Oceanfront** – Two months of service and ridership numbers are almost double compared to 2017. Please continue to provide SDCC your comments on the route and will collect them to forward to the City and HRT.

New Business –

**Lynnhaven Municipal Wharf** –The US Army Corps of Engineers are soliciting comments regarding this permit and have set August 6<sup>th</sup> as the deadline to receive written responses. SDCC would like to make a motion at tonight's meeting to support an official response. Please be ready to discuss and vote.

**Lesner Bridge Replacement** – What is the scheduled opening date? What will be the traffic patterns and lane closure details to support the opening? Hopefully we will have some of these details to present.

**Coyotes in the Bayfront Area** – I spoke to the Director of First Landing State Park and they would be happy to send a ranger to our next meeting to talk about coyotes in our area. If there is interest, I will pursue a presentation for our August meeting.

**Community Concerns**– Please share any issues or concerns your groups/organizations may have at this time.
