Subject: Short-Term Rental Overlay Proposal- Cape Story by the Sea

The Cape Story by the Sea Civic Association is the official neighborhood organization that represents over six-hundred residences in this area of Virginia Beach. A key agenda item at the monthly Civic Association meeting held on Monday, November 9, 2020, was the Short-Term Rental (STR) overlay district proposal pertaining to Cape Story, as proposed by Vice Mayor Jim Wood. After open discussion, a motion was made for the civic league to officially “oppose the creation of any short-term rental (STR) overlay district in Cape Story by the Sea”. The motion was seconded, and then passed unanimously.

Please accept this letter as the Cape Story by the Sea Civic Association’s official position opposing the creation of any short-term rental overlay district in the Cape Story by the Sea area of Virginia Beach.

Sincerely,
